

Kids' Day 2018

The 2018 Kids' Day Rapids Baseball game was attended by over 1,100 students from several area school districts. In addition to a great game of baseball, the students enjoyed face painting, food, and cheering on the Rapids.

2018 Rapids Baseball Camps

Nearly 100 kids attended the 2018 Kids' Baseball Camps. Campers were given instruction in hitting, base running, pitching, and fielding by Rapids players and coaches. The day also included snacks, water breaks, and a brief devotional given by a Rapids player. We would love to have your child join us for one of this year's camps. Details on our 2019 Camp are located under the drop down menu "Join Our Team."
